For Immediate Release: March 1, 2010

*Attention Passengers: the next T Plays are now arriving.*

**Mill 6 Presents the World Premiere of *The T Plays 2010* - One Week Only!**

**Seven new plays by our favorite playwrights. All written on the MBTA!**

**Running June 23-27, 2010 at the Factory Theatre in Boston.**

Back by Popular Demand! In 2008 Mill 6 brought you the first ever T Plays. This time we'll present 7 World Premieres over 4 days (we're including 2 bus lines). Chance will team up a playwright, director, actors and a T line. The playwright will board the T knowing only the number of characters and the setting (the very T line they are on). At the end of the round trip they turn their freshly written script over to the director and actors. Three days later the shows go up!

*"The T Plays pack more creativity and cleverness into its hour-and-a-half than most of the big shows on the boards right now." - The Hub Review (2008)*

But there's more! Every night we'll be asking the audience to vote on their favorites. At the end of the week the Audience Favorite will be announced. Mill 6 is pleased to present all of the drama, comedy, tragedy and romance a T ride provides.

*"Mill 6 is one of those little companies with big talent." - Theatermirror.com*

Celebrating our 12<sup>th</sup> year and 26<sup>th</sup> production, Mill 6 continues finding plays we love and bringing them to Boston. 2009 included our participation in the 11<sup>th</sup> Boston Theatre Marathon, FeverFest, the New England Premiere of Tom Jacobson's *Bunbury* and *Eat, Pray, Smoke: 3 Short Plays by William Donnelly*. Since our founding Mill 6 has presented 26 productions including 6 world premieres and 9 Boston/New England premieres. We have performed in Boston, Cambridge, Somerville, Arlington, Provincetown and New York City. Join us at the Factory Theatre on Tremont St in Boston's historic South End, the most unique "black box" space in the city.
